

Session #2 lesson #4  
Our sword of defense

#1 Discuss how we can use the Word of God as a spiritual sword (Jesus used the Word of God to counter every lie of the devil when He was tempted. It is a weapon against temptation)

#2 In II Samuel 22:1-3 what are some of the primary weapons in these verses? (Declarations, testimonies about past battles)

#3 In the first two verses of Ps. 91, what are some keys to the rest of the promises? (Dwelling in the shelter, resting in His shadow, which means when He moves we must move with Him to stay in His shadow, Again we must declare our trust in Him before and during the battles of this life)

#4 In vs. 4 what is the difference between a shield and a rampart? (Part of the answer was discussed in the previous question about moving when God moves and standing firm like in Eph. 6 and knowing when to move and when to stand)

#5 Discuss whether you have experienced a drop back in your level of faith in Gods protection over the last few years and how we can encourage each other to rise back up in faith
