

Prayer from the Heart of New Mexico

Pray 7 - 7 - 7
7AM, 7PM, 7 Days A Week

Dear Heavenly Father,

Creator of all that was, is, and will be,

We come before You with humble, contrite hearts knowing we have offended You.

We have removed You from our public and private places, squandered Your gifts, and broken Your laws of love.

Uniting our hearts and voices, we ask for Your mercy and forgiveness.

Renew our trust in Your Son Jesus, and restore His image to our country in our love and respect for each other.

Instill in us Your Holy Word and open our hearts to permit Your Divine Will to direct our every thought, word, and deed.

We beg You to end our drought, which threatens our radiant, sun-drenched mountains, mesas, valleys, and streams.

Protect us and our resources from harm as we place all our hope in You.

You are our King of Kings and Lord of Lords; and we praise and glorify You, Father, Son, and Holy Spirit.

Amen.
